## UNESCO/IUPAC Postgraduate Course in Polymer Science

### List of papers

The following is the list of papers contributed by course graduates and related to their work at the Institute in the frame of the UNESCO/IUPAC Postgraduate Course program and follow-up co-operation between the graduates and the Institute. The list includes papers published or accepted for publication during the period September 1996 – September 2002.

The papers are divided into the following categories:

- (A) Original papers published in international journals
- (G and C) Lectures (abstract published in conference proceedings) and reports
- (P) Patents

Number of contributions according to categories:

- (A): 49
- (G and C): 68
- (P): 1

Authors – Course participants cited in the list:

Andreeva D., Azanova V. V., Bogdan E., Chaikivskyy O., Dukh O., Fedorova S., Fedorov A., Ganchev B., Kassalainen G., Korostyatynets V., Mamyrbekov G., Mihailova M., Mitchenko A., Munteanu B. S., Razina A. B., Rosova E. Yu., Sapurina I., Semenyuk N., Shapoval P., Solovyev A., Sulimenko T., Todorova G., Zhivkov I.

The items are organized according to the names of the course graduates in alphabetic order. A paper contributed by more than one course graduate appears more than once on the list.  
The codes of items correspond to the List of Papers of the Institute of Macromolecular Chemistry, Academy of Sciences of the Czech Republic published by the Institute as Macro Series.
